OUR PHILOSOPHY

Our Philosophy is to model Christian values for our students. We do so by treating everyone the way we would like to be treated, by saying a prayer before our snack, and by celebrating special holidays with our families in church.

We believe children love to learn! Our school offers a supportive, caring, and encouraging environment in which to grow. The children develop key skills through play, art, music, theme-related projects, stories, Spanish, games and much more!

It is the goal of the Huntington Woods Christian Preschool that children leave our program with a foundation that enables them to enter into an academic setting with confidence and a strong sense of self-worth.
